

Join the Pelican Bay Police Department!

WE ARE LOOKING FOR FULL-TIME TCOLE CERTIFIED PEACE OFFICERS

The City of Pelican Bay is a small community currently incorporating about 1 square mile of homes and businesses and boasting a population of approximately 3,000 people.

We are located northwest of Fort Worth and nestled along the northwest border of the beautiful Eagle Mountain Lake.

"We are dedicated to providing our citizens with superior service through quality personnel."

Working for a small department can be both challenging and rewarding. At this department, we work as a team to ensure the safety of all citizens and their property. We also continue to develop new strategies for successful community outreach.
